

SAPA NATIONAL CONFERENCE 2019 *Big 5 in Education*

INGWENYAMA CONFERENCE CENTRE, WHITE RIVER >> 19 - 21 SEPTEMBER 2019

RUB SHOULDERS WITH THE WHO'S WHO IN THE EDUCATION WORLD!

OUR SPEAKERS INCLUDE

Mr Hubert Mathanzima Mweli

Mr Mweli is currently the Director-General of Basic Education. He believes in engaging with key

role players in the value chain of delivery. Mr Mweli holds engagements and visits all provincial and district officials and principals six times a year. He believes that what gets measured and monitored gets done. Under his leadership there has been a steady increase in the improvement of learning outcomes.

Mr Joseph James Ndlebe

James is the Director of Education Management and Governance Development at the Department of

Basic Education where he is responsible for all school management, SGBs and RCL matters. He is currently the Acting Chief Director for Education Human Resources Development which include Initial Teacher Development and Continuous Professional Teacher Development.

Attend this year's SAPA conference and explore the Big 5 in Education as you network with your fellow principals from around the country. Listen to world-class speakers. Be at the forefront of what is happening in education.

Together we will look at the Big 5 in Education - strong leadership, communication, technology, the challenges we face building relationships with and caring for learners.

Dont delay! Register today. Make sure you register and pay in time to qualify for Early Bird Fees

Prof Sampson Mampheleli

It is well known that technology has the power to transform teaching by bringing in a new model of interaction between

teachers and learners. Explore how technology influences teaching with Prof Mampheleli.

Dr David Molapo

Dr. Molapo is the Founder and President of the I CAN Leadership Co. Africa. He is also a foremost management

consultant, educator and a renowned inspirational speaker. Be motivated, inspired, and gain more confidence as Dr Molapo provides you with the tools to change your life and that of the people around you.

Mr Neil Steinman

Neil is a business consultant and registered Industrial Psychologist. He is an author, public speaker and South Africa's

leading authority on mentorship. Learn the best ways to mentor your learners and teachers from Mr Steinman.
